

CORONADO RALLIES FOR VETERANS

UNITE FOR VETERANS | UNITE FOR AMERICA

Veterans and military family members are being fired by the thousands from federal jobs. Their healthcare is being gutted. Their benefits are under siege.

On June 6, the anniversary of D-Day, veterans from across the nation will gather on the National Mall to protest the destruction of the Department of Veterans Affairs and seek to put an end to policies that harm veterans and their families.

CORONADO RALLY IN SUPPORT OF THE D-DAY EVENT
